The Caribbean event in a few figures

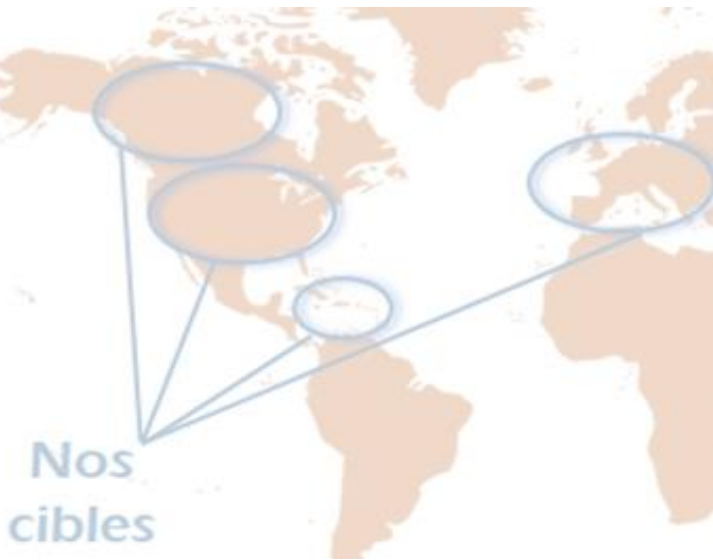

After 2 years of absence due to the health context, in 2022, the Martinique Boat Show has demonstrated that it is becoming the meeting place for the Caribbean's boating community

14% of exhibitors from the Caribbean and from France

7% of visitors from the Caribbean and France

An exceptional position at the centre of the Caribbean arc

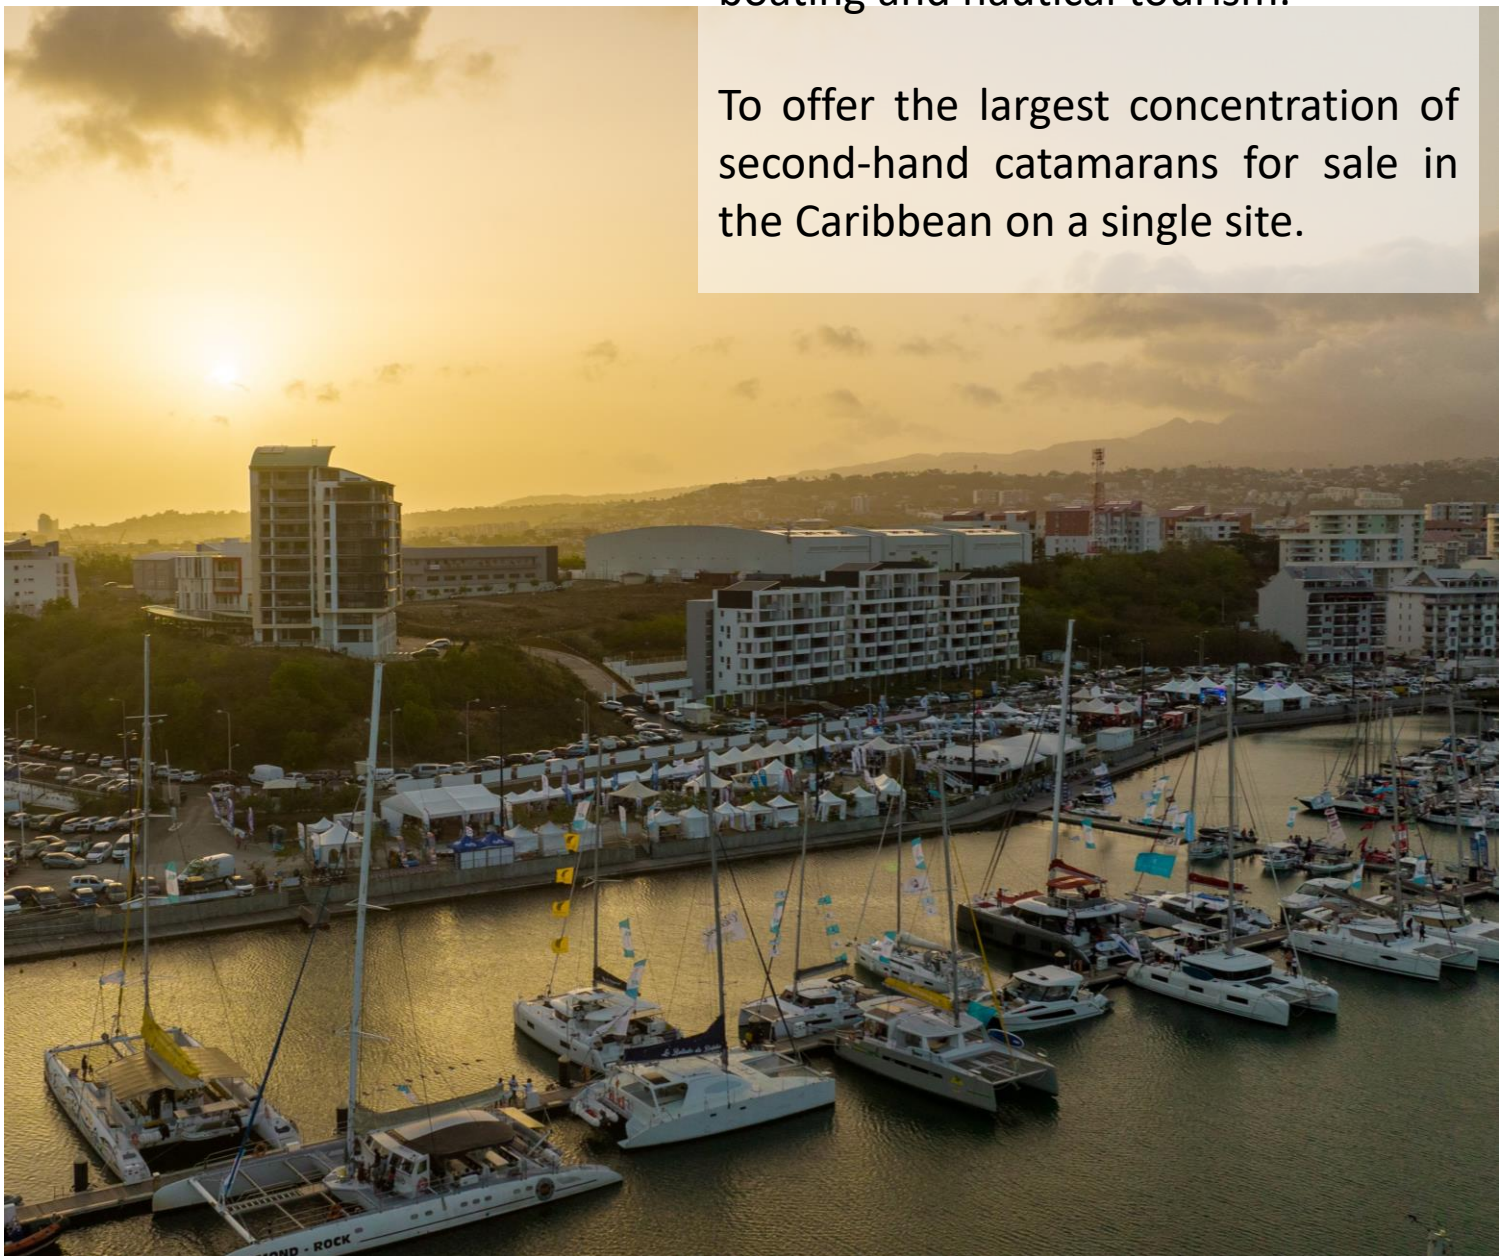

Ambitions declared from the 1st exhibition

To be the showcase of French and international production on the Caribbean arc and the North American continent

To present to the international market the know-how of Martinique and the Caribbean in the field of boating and nautical tourism.

To offer the largest concentration of second-hand catamarans for sale in the Caribbean on a single site.

A trade show to develop your BtoB and BtoC business in the Caribbean markets

For the 3rd year, the Martinique Boat Show will take place at the Etang Z'Abricots Marina, located in the magnificent bay of Fort de France, close to the Aimé Césaire international airport and an important hotel offer.

5000 m² of exhibition space on land and 300 m of linear pontoons afloat, it is the ideal space to present your products and meet your future commercial partners from all over the Caribbean.

The Martinique Boat Show is the promotional tool and the meeting place for all companies linked to the sea : brokers, insurers, shipyards, shipchandlers, shipbuilders and repairers, sailmakers, mechanical maintenance, marinas, excursionists, nautical leisure activities, etc.

We provide you with a dedicated service to prepare your arrival in Martinique (transport, accommodation, logistics).
